

Formative Assessment Reflection

Learning Target	# Right	# Wrong	# Solid	# Had Doubts	# Guessed	# Simple Mistake	# Misread Question	# Need to Restudy
What are your strengths in your understanding?								
What is not clear in your understanding?								
What are your next steps to improve and maintain understanding?								
Select one Enrichment or Intervention Assignment to complete:								
<input type="checkbox"/> Enrichment # _____ or other _____ Teacher Initials _____								
<input type="checkbox"/> Intervention # _____ or other _____ Teacher Initials _____								

Enrichment

1. Complete a "What If" video. Select one AP problem in the packet, modify it, and complete a Flipgrid video about the new solution. [LINK](#) to instructions.

Intervention

1. Find 10 problems to complete using the even-numbered problems in the textbook. Select based on the areas that need practice.
2. Find 10 problems to complete using the AP review book. Select based on the areas that need practice.
3. Find a video(s) on Youtube covering a topic you are struggling with. Take one page of notes and answer 5 more practice problems from the videos, online, even problems in the textbook, or in review book. Provide links to the videos.
4. Complete a Free Response Analysis for an AP Free Response Question that relates to the current or previous units. [LINK](#) to the worksheet. Attach a copy of the Free Response problem to the worksheet.
